DISABILITY SERIES

At the request of librarians serving the one in four Americans who live with a disability and those seeking the information needed to understand, navigate, and manage a disability, the Disability Series was developed as a specially focused set of volumes within Omnigraphics' Health Reference Series. Each volume deals comprehensively with a topic selected according to the needs and interests of these patrons.

2021 PRICING

List Price: ~~\$47~~/Volume

Library/Schools: **\$41**

- Authoritative health information and facts geared to assist the reader in understanding the health challenges that they, a family member, or loved one is facing.
- Tables, charts, and illustrations display statistical data and supplement explanations.
- A professionally prepared master index that provides easy access to descriptive information, definitions, and related concepts.

2021 New & Forthcoming

Learning & Developmental Disabilities SB, 1st Ed.
April 2021. 978-0-7808-1891-0

Ambulatory Disabilities SB, 1st Ed.
August 2021. 978-0-7808-1931-3

Chronic Disabilities SB, 1st Ed.
November 2021. 978-0-7808-1933-7

Auditory Impairment and Assistive Hearing SB, 1st Ed.

Provides basic health information about auditory impairment, its problems and impacts, types of impairment and related disorders, with impairment caused by genetics and infections, guide for diagnosis, intervention, and treatment, and information about assistive hearing and disability rights for people with auditory impairment.

Nov 2020. 978-0-7808-1824-8

Communication Disabilities SB, 1st Ed.

Provides an overview of the different types of communication disorders and their impact on personal, social, and economic well-being, recovery and rehabilitation techniques, and tips for caregivers. Includes facts about rights and benefits of people with communication disabilities and resources for additional help and information.

April 2020. 978-0-7808-1790-6

Disability Rights, Benefits, and Support Services SB, 1st Ed.

Provides an overview of rights and laws

enacted to protect and accommodate people with disabilities and those interested in learning more about disability and the processes required to apply for these benefits, disability compensation benefits for veterans, information on how to find government and local disability programs and services, and other resources.

Oct 2019. 978-0-7808-1764-7

Mental Disability and Rehabilitation SB, 1st Ed.

Provides an overview of the most common types of mental disability, behavioral-health therapies, co-occurring disorders, medications commonly used to treat mental disability, treatment options, culturally competent care, accessibility, rehabilitation, and the ways in which the Affordable Care Act provides parity protections for behavioral-health services, along with tips on finding a therapist, supporting a friend or family member through diagnosis and treatment, and information about the neurodiversity movement, along with information on how to find government and local disability programs and resources.

Nov 2019. 978-0-7808-1766-1

Physical Disability and Rehabilitation SB, 1st Ed.

Provides an overview of the types of disability that limit an individual's physical functioning, mobility, dexterity, and stamina, either as a structural or functional impairment. The characteristics of specific physical disability are outlined and examples of the ways in which physical disability affects individuals are explained, along with information on how to find government and local disability programs and resources.

Oct 2019. 978-0-7808-1765-4

Visual Impairment and Rehabilitation SB, 1st Ed.

Provides basic health information about visual impairment, its types and prevalence, conditions that lead to visual impairment, guidelines for people with visual impairment to lead a quality life, and facts about benefits and support services available for them. Includes resources for additional help and information.

July 2020. 978-0-7808-1806-4

TEEN FINANCE SERIES

Tips for a Successful Financial Life

Financial literacy has never been more important. Today's teens face increasingly complex financial challenges and opportunities. The Teen Finance Series was created to help students understand basic economic principles and learn how these principles apply to their own lives.

Each volume in the Teen Finance Series presents topics designed to help teens develop the skills necessary to manage their money wisely and plan for a secure financial future. These books are authoritative, well-organized, and easy-to use. The articles are written in a straightforward, easy-to-read style, with headings, sidebars, definitions, and illustrations.

Women in the Workplace in America, 1900–2021

April 2021. 978-0-7808-1957-3

List price: \$69

SCHOOL AND LIBRARY PRICE: **\$62**

Women in the Workplace in America, 1900–2021 is a resource guide that provides historic context and helps people and organizations better understand the challenges women have faced, and continue to face, in the American workplace. The guide covers significant movements and events in women's history, from Rosie the Riveter to the #metoo movement, highlights the professional strides women have made over the past century, and provides key links to support organizations to help readers identify, manage and navigate both the subtle and overt barriers women face in professional settings. It emphasizes the importance of gender equity in the workplace, and highlights the important work accomplished by women like Ruth Bader Ginsburg, Gloria Steinem, Betty Friedan, Jane Fonda, Michelle Obama, Kamala Harris, and more.

The UFO Encyclopedia, 3rd Ed.

Oct 2018. 2 Volumes. 978-0-7808-1659-6

List price: \$155

SCHOOL AND LIBRARY PRICE: **\$139**

The UFO Encyclopedia offers extensive coverage of the UFO phenomenon. This 3rd edition includes over one hundred new entries and offers context for the reams of declassified UFO-related documents that have been released in the United States, Brazil, and other countries; explores secret government programs that were revealed in recent years and before; and compiles and explains the UFO phenomena in all its aspects—the sightings, close encounters, investigations, debates, symposia, personalities, hoaxes, debunking campaigns, and conspiracy theories—including expert analysis of the UFO era and historical context for sightings in the century and a half before the UFO era.

Formerly *Holidays, Festivals, and Celebrations of the World Dictionary* this volume is a key resource for teachers and students, religious organizations, community groups, and anyone who needs information on different cultures, countries, and ethnic groups.

Understanding and Navigating Discrimination in America

Feb 2021. 978-0-7808-1901-6

List price: \$69

SCHOOL AND LIBRARY PRICE: **\$62**

Understanding and Navigating Discrimination in America is a resource guide to help identify and understand challenging conversations about discrimination, and integrate them into American lives in a meaningful way. This is an important resource guide that hits discrimination in America past and present head on, offering easy to navigate content with key links to organizations, local and national support groups and government agencies to help readers identify, report and manage discrimination in personal, professional and academic settings. The country is at a crossroads, and it's more important now than ever to communicate respectfully with those who are different than us, work toward dismantling the systemic discrimination the country was built on, and uphold informed, just, and inclusive spaces for all people.

African-American Holidays, Festivals, and Celebrations, 2nd Ed.

Sept 2019. 978-0-7808-1605-3

List price: \$71

SCHOOL AND LIBRARY PRICE: **\$64**

African-American Holidays, Festivals, and celebrations, 2nd Edition presents the history, customs, symbols and lore of more than 100 diverse holidays and festivals celebrated by Americans of African descent in the United States.

Events covered include historical and contemporary African-American holidays ranging from slave observances to Kwanzaa. Also covered are holidays and festivals commemorating notable people, historical events, cultural heritage, and religious beliefs. Religious observances include those of various Christian denominations and those of Santeria and other African-based faiths.
