

## Welcome to the CrossCan Virtual Showroom!

We are excited to add a new whole new dimension to collection building with the introduction of our **Virtual Showroom**. This innovative tool, which is easy to access and simple to use, will be of great benefit when selecting titles for your print collections. It has some wonderful advantages:

- **Convenience:** It allows you to preview new K-12 titles on any device with connection to the Internet, from your home or office, at your leisure, 24/7, for up to 30 days.
- **Content:** These previews are just like looking at a physical sample, with the entire book available for assessment.
- **Customization:** Our showrooms can be personalized for you, depending on current needs. We can curate collections by subject, Dewey number, curriculum strand, grade level, and other criteria you desire.
- **Cost:** There is never any cost to access our Virtual Showroom, and ordering print titles can be made directly through CrossCan or through your vendor of choice.

### Get Started Right Away...

Follow the login information you have been given. Once you've accessed the Showroom, you will see covers of the titles available for preview.

- You can use the search fields or category delimiters at the top of the screen to search for specific titles in your Showroom. You can also click "Show Filters" to find even more search criteria, such as reading level, copyright date, or page count.
- By clicking on the "Open" button or cover of a title, an entire electronic version of the print book will become viewable to you. Just scroll down and the pages will load, allowing you to read and preview the entire book. (On iPads the pages will load from left to right.)
- Click the magnifying glass in the top right corner at any time to search for keywords within the book.

This Virtual Showroom is very intuitive and we think you'll enjoy seeing the full books in order to make more informed buying decisions. If at any time you have questions, would like to see more titles or different titles, just drop us an email at [info@crosscaneducation.com](mailto:info@crosscaneducation.com) or give us a call.

Enjoy your preview!
